April 9, 2019

Dear Oakville Community-

Happy Spring! We wanted to give you an update on all the great things happening at Oakville Schools! If you haven’t been in our building in some time, you will see some changes, and have more changes coming!

Elementary office -- Our construction on our new Elementary Office is going to begin very soon. We’ll keep you up to date on our progress , but we are VERY excited to create a more welcoming and safer reception when you visit our Elementary School.

3rd Quarter & Conferences -- Thank you to all the parents who attended conferences before Spring Break. It is so important that we work as partners in educating your kiddos. If you happened to miss your conference, it’s not too late. Please contact your student’s teacher and we would be happy to meet with you.

Cool Projects -- We have a few projects students started or completed in March we wanted to let you know about. 1st grade students did a Science experiment where they built leprechaun traps right in time for St. Patrick’s Day. 3rd grade are growing cabbages that were donated as part of the Bonnie Plants Cabbage Program. 4th grade participated in the Shorebird Project as part of the Grays Harbor Shorebird Project.

Middle School Dance -- As a reward for their hard work completing a unit on the novel “The Outsider” the 6th and 7th grade students had a dance and were encouraged to dress up like the story. The kids had a great time and it was a great success.

High School Sports -- Our Softball and Baseball teams are off and running with their seasons. Great to see our student athletes competing and working hard. Our new Coaches Jessica Madison (Softball) and Jake LaDuc (Baseball) have been working with our teams and they have already shown a great deal of improvement!

Music Next Year -- In our planning and budgeting for next year, the Board has awarded us the funds to provide for a Music Teacher next year. We are so excited to have Music at Oakville again next year! In conclusion, 2018–19 in Oakville has been a year of opportunity for our students. As always, please reach out if you have feedback, a question, or concern at any time.

Sincerely,

Rich Staley

Superintendent, Oakville School District

The Oakville School District complies with all state and federal rules and regulations and does not discriminate on the basis of race, creed, religion, color, national origin, age, honorably-discharged veteran or military status, sex, sexual orientation including gender expression or identity, marital status, the presence of any sensory, mental or physical disability, or the use of a trained dog guide or service animal by a person with a disability and equal access to Boy Scouts and other designated youth groups. This holds true for all district employment and opportunities. The following employee has been designated to handle questions and complaints of alleged discrimination: Rich Staley Superintendent, Section 504/ ADA Coordinator, Tanya Bunting- Business Manager, Title IX Civil Rights Compliance Coordinator for 28A.640 and 28A.642. PO Box H, Oakville, WA 98568, and may be reached at (360) 273-0171.
